

# Graduate Internship USA (GRADINT USA)

## Extension Application

**Dear Participant,**

Thank you for your interest in extending your internship with your U.S. Host Organization.

Before you complete this application, please remember that extensions are intended to give you the opportunity to gain new and different skills from your current training.

You and your Host Organization should discuss what those new skills will be and carefully prepare the Extension DS-7002 to reflect these.

**Please also note that you can only apply to extend your J1 Traineeship to a max 18 months (12 months if in Tourism and Hospitality) from the start date as listed on your DS-2019 Certificate.**

We strongly recommend **applying for an extension at least 6 weeks before the end date** of your present Internship/ Traineeship as listed on your DS- 2019 Certificate – **NOT** the end date on your J1 Visa. Applying too close to your end date could mean that your application is not approved in time and you will need to return home.

To start the process of applying for your extension, we will need the following:

**This Application – including the following supporting document copies**

- a Copy of your current DS-2019 Form
- a Copy of your J-1 Visa
- a Copy of valid passport
- a completed Online DS-7002 Extension\*\*

\*\*The online DS-7002 Extension must be completed by your Host Organisation to reflect the new activities and reasons for the extension request. In order to do this we must “unlock” the online DS-7002 to allow the extension request. If you have not already requested this via email to [apply@istplus.com](mailto:apply@istplus.com) we will unlock the online DS-7002 upon receipt of this part of the application. Your listed supervisor will then receive an email asking them to log in and complete the extension.

- Confirmation of how your extension Programme fees are to be paid (for fees please see the enclosed Fee Disclosure page).

**Via PayPal**

**Via Online Banking**

**Other (please specify)**

### What happens next?

Once you have your application materials completed, please scan and email them to [apply@istplus.com](mailto:apply@istplus.com). Once received, your application will be reviewed and a confirmation email will be sent with the next steps. If you do not hear from us within 3 WORKING days please email [apply@istplus.com](mailto:apply@istplus.com)

Any questions or concerns you may have during this process should be directed to [apply@istplus.com](mailto:apply@istplus.com)

Dear Applicant,

Thank you for your interest in extending your training with your U.S. Host Organization. We are delighted that you are considering extending your program with CIEE.

Your application for a program extension will be processed by your home country CIEE representative, not by CIEE in the United States. Please be sure to send your completed application to your home country CIEE representative.

To complete your application for a program extension, your CIEE representative will need to receive the following:

- **APPLICATION FOR PROGRAM EXTENSION**, along with supporting documents as listed in the checklist below
- **DS-7002 TRAINING/INTERNSHIP PLACEMENT PLAN – EXTENSION APPLICATION VERSION**, to be completed by your Host Organization

You should apply for a program extension at least five weeks before your original training end date. Applying too close to your end date could mean that your application is not approved in time and you will need to return home. Speak to your CIEE representative to find out about required processing times for your application.

Before you complete this application, please remember that extensions are intended to give you the opportunity to gain new and different skills from your current training. You and your Host Organization should discuss what those new skills will be and be prepared to share that information with CIEE.

Once you have submitted your application, CIEE will review your information and the new DS-7002. We will contact your Host Organization with any additional questions and then inform you of our decision. Any questions or concerns you may have during this process should be directed to the CIEE representative in your home country.

We look forward to receiving your application. In the meantime, we wish you the best of success with your training and your overall experience here in the U.S.

Sincerely,

Marjorie A. Stockford  
Director  
CIEE Internship USA  
Professional Career Training USA
